Class News

Autumn 2024

Things to note for your class

Lilac Class

Everyone seems to have settled into class and the new school year really well. It is so lovely to see happy faces every morning.

Thank you for sending in diaries and reading books everyday.

We are swimming on Thursdays so please send in named kit. Please can you ensure your child has named spare clothing in their bags.

As the weather gets colder and wetter could we have coats each day please for playtime and wellies to allow us to access outdoor learning. We are happy to keep these in school.

Thank you!

Topics

Our topic in the first half term is 'Who lives in the rainforest?'

We will be reading the book 'Eco Girl' by Ken Wilson-Max.

This topic will give us opportunities to discover where the rainforests of the world are, what the weather is like in the rainforests and what animals live in the rainforest.

We will also be exploring chocolate, looking at where it comes from, how many different types there are and what we can do with it. We will look at packaging and design our own to go with our own chocolate bars that we will be designing and making later this term.

In maths we continue to build our understanding of numbers focusing on what they are made of.

In PE we will be playing invasion games and learning skills to help us move around the hall, exploring different ways of moving and practicing stopping and starting.

In PSHE we are learning about respectful relationships and people who care for us.
