What a fantastic first Half Term!

Celebrating our Students, Staff and College Community

Dear Families,

It has been an absolute pleasure coming to the college and getting to know the learners and their class teams. I have been made to feel very welcome and I very quickly feel settled and part of the college community.

There has been so much happening across college already. Students have been enjoying engaging topic work, careers events, work experience opportunities, hydrotherapy, options fayre, PE and a wide range of other activities that support learning, confidence, independence and preparation for adulthood.

We are proud of the enthusiasm and resilience our students have shown settling in to their new classes after the summer break. Already we are noticing achievements our young people have shown in the form of communication, phonics and topic work.

A huge thank you to our dedicated staff team for making these learning opportunities possible, and to our families for your continued support and partnership.

We are sad to be saying goodbye to Jo, our Early Help Lead who is going to another job. We would like to thank Jo for all her hard work, care and support and wish her every success in her next venture.

We hope you enjoy looking through some photographs of the experiences taking place so far this term. Wishing everyone a restful and enjoyable half-term break and our students back on Monday 2nd November.

Thank you!
Stella Taylor
Interim Head of College
